Are you ready for a year in Germany?

Apply now and come to Rottenburg!

Why two semesters at HFR?

TWO DEGREES
 A master's degree from Canada and one from Germany.

European forestry, up close
 Closer-to-nature and sustainable forestry, forest ecosystem services and environmental policy in Central Europe.

Learn internationally
 Experience different university systems, perspectives and ways of working.

Out in the field
 One-day field trips into the forests of southern Germany.
